

Hello, I'm *Megan!* ♥

I'm easy-going, caring and adaptable, with experience supporting people with diverse abilities and complex needs. I'm passionate about building confidence, fostering independence and making each and every day enjoyable - all whilst working toward your goals!

MY QUALIFICATIONS & TRAINING

- First Aid & CPR
- Multiple NDIS Learning Modules
- PEG Feeding
- Medication Administration
- Nasal Gastric Feeding
- Manual handling

A LITTLE BIT ABOUT ME

I'm out-going, friendly and always up for a laugh! I love a singalong, a little boogie and bringing positive energy to whatever we're doing. I enjoy cooking, going to the gym, getting outdoors for walks and spending time with dogs (Unfortunately cats and my allergies don't mix!). I love trying new things, meeting new people and making genuine connections.
